Course Committee

The Course Committee is well aware of members concerns about the state of the rough, but cost and available labour are problems with mowing more regularly.

Thanks to members who have offered to drive the mowers, and we would be grateful to any others willing to give 4-8 hours a week thru spring and autumn periods.

A temporary staff member Mark, will be working with Troy over the next 4-8 weeks. Introduce yourself to Mark if you see him on the course.

We have around 100 old clubs after a tidy up. Help yourself to any clubs in the clubhouse.

We have a grant for buying new sets for hire which will be hired out in a controlled manner to avoid losses. The current hire clubs will still be used for general hire to green fee players.

Twilight Golf commencing 1 October

Your Executive are bringing back the Monday 12 hole competition that will run during daylight saving. This has proved a popular event in the past for club and non-members..

Cash prizes based on a percentage of the entry fees will be awarded every week. Details are being finalised and will be highlighted on our website in the near future.
